

## Rate Table for Grandparented Children Out of the Parental Home (COPH)

### General Principle

February 2010

The assistance rates for the Income Assistance Grandparented Child Out of the Parental Home (COPH) mirror the rates of the provincial **Ministry of Social Development and Poverty Reduction (MSDPR)** program.

### Policy

February 2010

The following amounts of Grandparented COPH Assistance (inclusive of basic maintenance and clothing) are to be paid to the relative on behalf of each eligible child according to their age:

Age of Child	Monthly Maximum Rate
Birth to 5 years	\$257.46 minus financial contributions by the parents
6-9 years	\$271.59 minus financial contributions by the parents
10-11 years	\$314.31 minus financial contributions by the parents
12-13 years	\$357.82 minus financial contributions by the parents
14-17 years	\$402.70 minus financial contributions by the parents
18 years	\$454.32 minus financial contributions by the parents
