

Draft: T'it'q'et Restart Plan

Phase One: Where We Are Today

- T'it'q'et State of Emergency Declared
- T'it'q'et Emergency Operations Centre open
- Emergency Management Plans reviewed and revised
- Stay home order in place
- Physical distancing order in place
- T'it'q'et lands closed to all non-residents except for essential services and those authorized by T'it'q'et Council.
- Shut down of administration buildings although staff remain on duty.
- Shut down of all business travel for T'it'q'et Administration and Council
- Shut down of all face to face T'it'q'et business meetings; move to telephone or online meetings.
- Planning for the reopening of T'it'q'et business

Phase Two: Mid May and June 2020

- Draft and approve COVID-19 ***Pandemic COVID-19 virus Exposure Control Plan*** and ***Pandemic COVID-19 virus Exposure Controls – Protocols & Procedures*** for all T'it'q'et Administrative buildings i.e. “Infection-prevention control strategy”,
 - Signage for door entrance “Stop!...do you feel....do you have...etc.”
 - Complete a staff/employee COVID-19 Daily Fit for Work Screening test
 - Marked spots on floor
 - plexiglass requirements and where,
 - cleaning and disinfection building requirements and frequency etc.
 - Ensure enough hand sanitizers, (PPE), cough etiquette, washing hands, physical distancing etc. signages for all T'it'q'et buildings.
- Council/Administrator – formal request for all staff to return back to work and ensure that they know the staff's safety plans and supports they may need (i.e. childcare) etc. and that they understand the Health & Safety Plan and/or complete the assessment test - WorkSafeBC
- Open T'it'q'et Administration buildings by appointment only to community Members. (Notice to Elders, Social Development Clients and Health Clients they have to call ahead of time to set up an appointment?)
- Hold staff and/or council meetings with physical distancing practices in place, no more than 50.
- Closing down T'it'q'et EOC OR Some working from their offices when needed
- Allow a household gathering no more than ten (10) visitors and should maintain the physical distancing rule i.e. move gathering outside to allow physical distancing.

Draft: T'it'q'et Restart Plan

Phase Three: : July to end of August 2020 (With possibility of extension)

- Open Seton Lake beaches, wharfs, boat launch to the community members with proper COVID-19 Social Distancing signages etc. (This is a recoverable expense from EMBC)
- Open community and Administration buildings to community members (including fitness room?)
- Traditional Fishing and/or food gathering, medicine gathering etc.
- Playgrounds/parks/outdoor gym etc. with COVID-19 social distancing signs and “use at own risk” as no one is cleaning or disinfecting equipment etc. (Is there a liability?) Signage can be recoverable for this as well (Check with EMBC)
- Allow small physical distancing gatherings with a limit at _____ (10 – 20?) e.g. workshops or training sessions?
-

Phase Four: Dependent on availability of wide vaccination and community immunity etc.

- Large social gatherings
- Youth Center: as children have some difficulty with physical distancing
- Large sports events
- Conferences, conventions, or concerts etc.
