| 26  | 27  | 28  | 29  | 30  | 1   | 2   |

**RECYCLE DAYS:**

May 4–Plastics

May 11–Glass

May 18–Tins

May 25–Cardboard/Paper

O&M picks garbage up on Mondays and Fridays. Wednesdays they pick up recycling. On recycling days, the garbage will be picked up as well for now.

Animals are getting into garbage, if an animal gets into your garbage it is your responsibility to pick it up.

Please do not throw food waste outside your home, throw it in the garbage. This will help from animals going into your yard, and mice trying to find a way into your home.

Thank you,  
Housing.

**Job title:** Director of Operations

**Organization:** P'egp'ig'lha Council

**Term:** Full-time, permanent

**Salary:** \$69,160/year + benefits; negotiable based on education and experience.

The P'egp'ig'lha Council (PC) is seeking a full-time, permanent Director of Operations to supervise the daily operations of the PC and support the PC's governance responsibilities. The Director of Operations is responsible for ensuring that operations further the mandate of the P'egp'ig'lha Council (PC); initiating and setting goals for programs according to the strategic objectives of the organization; planning programs from start to completion involving deadlines, milestones, and processes; and developing and/or approving budgets among other duties.

## **Roles & Responsibilities:**

- advance PC's Title and Rights, Lands and Resources in PC planning and decision making
- advise on meeting the needs of the PC through partnership and teamwork
- provide support for the PC to identify and expand opportunities for government-to-government relations and partnerships
- liaise and collaborate with First Nations organizations, agencies, and governments
- promote opportunities for collaboration among governments, proponents, and business on protection on natural and cultural resources in the territory
- promote the inclusion of P'egp'ig'lha voice in decision-making at all levels of government and with business affecting the territory
- oversee operations and operations staff, training, and staff events
- coordinate meetings for council and committees
- lead the development and implementation of the PC strategic plan
- assess and report progress in meeting PC and operations objectives
- participate in budget development and monitoring of expenses
- generate reports for the PC and the PC Chairperson as needed

## **Qualifications:**

- 3+ years experience in management position
- Excellent organizational and leadership abilities
- Outstanding communication and people skills
- Familiarity with MS Office
- Post-secondary degree, diploma or equivalent in administration or relevant field

## *P'egp'ig'łha Council*

**Job title:** Fisheries Coordinator

**Organization:** P'egp'ig'lha Council

**Term:** Full-time, term limited. Position ends March 31, 2023.

**Salary:** \$54,600/year

The P'egp'ig'lha Council (PC) is seeking a full-time, temporary Fisheries Coordinator to manage the PC's Indigenous Habitat Participation Program project. The Fisheries Coordinator will ensure that the project is carried out according to its work plan and budget. The project will develop a Traditional Use Study, an Emergency Response Plan, a Youth Engagement Plan and a Fisheries Stewardship plan alongside other deliverables. The project will conclude on March 31, 2023.

### **Roles & Responsibilities:**

- Manage program budget and deliverables.
- Organize and conduct community engagement.
- Draft the deliverables identified in the program outline.
- Complete project reports as necessary.
- Collaborate with other PC staff to complete project objectives.
- Ensure that the project progresses within the described timeline.
- Report project progress to the PC.
- Attend fisheries related meetings when necessary.
- Conduct research to support program objectives.

### **Qualifications:**

- Post-secondary degree and/or certification in a fisheries/natural resource-related field would be an asset.
- 2+ years of professional experience in project management.
- Familiarity with St'at'imc communities and territory preferred.
- Knowledge of respectful research protocols for Indigenous communities.
- Excellent organizational and leadership abilities
- Outstanding communication and people skills
- Familiarity with MS Office

## *P'egp'ig'ha Council*

### **Conditions of Employment:**

- Valid Class 5 Drivers License
- Subject to Criminal Background Check

**Posted:** April 11, 2022

**Application Deadline:** May 13, 2022

Preference will be given to qualified applicants of St'at'imc or Indigenous Ancestry.

Please submit resume, cover letter, and 2 references with contact information to the Attention of:  
Director of Operations by one of the following:

Email: [director@pegpigha.org](mailto:director@pegpigha.org)

Office Location: 10 Scotchman Rd. Lillooet, BC

Administration has received complaints concerning vicious dog attacks and nuisance pets. Once a written complaint is received concerning dogs or other pets it goes on file.

All home owners/tenants are responsible for their dogs and pets that roam freely, bark incessantly and cause general annoyance to neighbours. Please keep dogs fenced in or tired on a run.

Dogs that bark constantly should be brought into the home especially during the evening.

Home owners/tenants are advised to put in complaints in writing to administration if an animal is causing a nuisance for example: digging up gardens, taunting neighbor's pets that are fenced in, doing their business on neighbours' lawns etc.

#### **8.2.1.8 As per the housing policy it states:**

1<sup>st</sup> Warning is a writing to the owner from Council:

2<sup>nd</sup> Warning, the owner must pay the \$50 animal control surcharge;

3<sup>rd</sup> Warning, the pet owner must meet with Council;

4<sup>th</sup> warning is the removal of the dog.

Thank you,  
Kassandra Doss  
Housing Coordinator

**Dr. Bolen our Podiatrist  
Will be coming into the  
T'it'q'et Community**

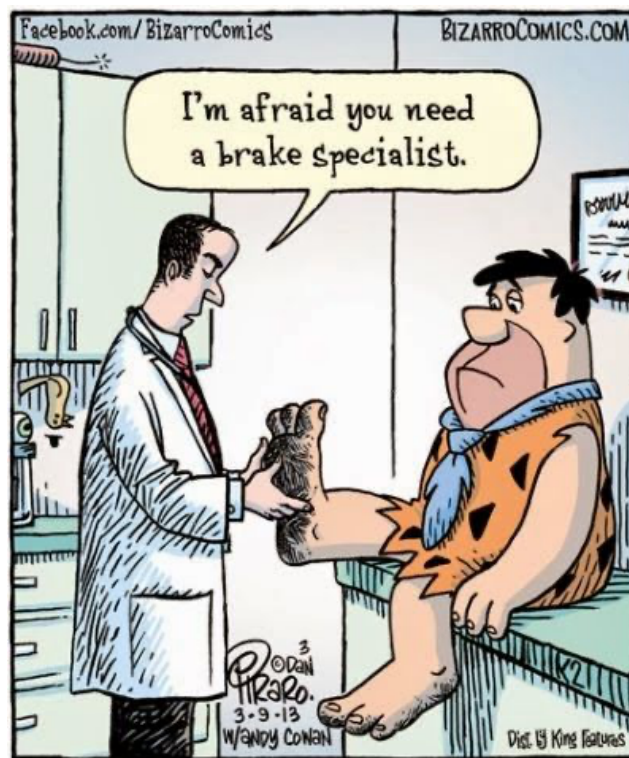

**Friday MAY 20, 2022**

**Please contact Medical Clerk at the band office**

**To book your appointment**

**250-256-4118 ext.241**

**[Medicalclerk@titqet.org](mailto:Medicalclerk@titqet.org)**

There has been a large number of old/uninsured vehicles within our community.

This is a fire hazard please see below from the Housing policy.

#### 9.1.1 - Community Standards

...Another issue is the number of unlicensed vehicles on a property. One unlicensed vehicle would probably not be seen as a problem but several unlicensed and obviously run-down cars parked on a residential lot would be seen by many as a community nuisance...

**Junk Scrap  
Car Removal**

**SPRING 2022**

**DO YOU WANT JUNK  
CARS REMOVED FROM  
YOUR LOT?**

**Call the Housing Department to put your name, make of car/vehicle, and color on List.**

The amount paid is dependent upon the type and volume of material, as well as the distance from our business location.

**Cariboo Salvage &  
Recycling Ltd is from  
Clinton, BC**

**Cash is paid at time of  
pickup**

**Vehicles (Any size & type)**

**Truck is equipped with a  
Magnet & Grapple Crane**

**Makes your Lot look better**

**CALL HOUSING DEPT**

**250-256-4118 ext: 259**

**Kristen Alexander**

**Housing assistant**

Thank you,

Kassandra Doss

Housing Coordinator.

## KAMLOOPS / LYTTON

## **T'it'q'et newsletter article May 2022**

T'it'q'et and P'egp'ig'lha have decided to undertake and work towards preparing for jurisdiction over their own child and family services through the Capacity Building Fund process to conduct the project title; Fulfilling the Dream of the P'egp'ig'lha- Looking after Our Children.

The early stages of the project are Community Engagement, that involves a Comprehensive needs assessment, interviews, and research. The needs assessment (survey) was launched March 7<sup>th</sup> 2022, with a deadline March 18<sup>th</sup> 2022. Due to low response, the survey is extended to May 13<sup>th</sup> 2022. Because the community, staff and leadership were going through a difficult time these past few months, and in consideration of the members, the decision was to extend another 8 weeks. To date we received some responses, the hope is to collect more surveys to generate some data for the project. The survey will be available at the administration office, or email [projectmgr@titqet.org](mailto:projectmgr@titqet.org) or [projectresearcher@titqet.org](mailto:projectresearcher@titqet.org) to request a survey or have any questions.

Friendly reminder the **deadline for survey May 13<sup>th</sup> 2022**, there are 4 prizes;

1. First prize \$150
2. Second prize \$100
3. Third prize \$75
4. Fourth prize \$50

We had scheduled workshops (Dec 15&16 2021, and April 20<sup>th</sup> 2022) which unfortunately had to be postponed, that was beyond our control, due to unfortunate circumstances; resulting from environmental catastrophes (floods, fires, road closures, isolation, etc.) and guest speakers unable to attend due to personal health issues, and the pandemic situation.

May 4<sup>th</sup> & 5<sup>th</sup> 2022 there will be another opportunity to host a workshop with Satsan (Herb George) to talk about Child Welfare, Bill C-92 and where to go from here with jurisdiction. Please join us at the community hall, for the information, great food, and connect with others. Please watch for postings.

May 17<sup>th</sup> 2022; Wayne Christian will be presenting an overview on the history of child welfare and how the new Bill C-92 impacts Indigenous children today. He will give insight where T'it'q'et needs to go in order to utilize Bill C-92 for the future.

We are in the planning process for a community information session; to provide an update to members, dates will be posted soon. This session will also be an opportunity for family, friends and members to gather, visit and exchange stories, and share good food. Tentative dates May 20<sup>th</sup> or May 24<sup>th</sup>, please watch for postings.

We will arrange for interviews with members; for historical stories relating to family and child care. Also, to plan on a day with community to share family history and family trees, information on how to retrieve genealogy information.

Phone (250) 256 4118  
Fax (778) 784 4070

April 20, 2022

Hello T'it'q'et

I hope everyone is doing well, staying safe, and ready for the spring season.

Just an update from health; we are gearing up to be able to provide more in-person clinics, workshops, and events such as: Heart Health, Mental Health, Addictions, Diabetes, falls prevention, woman's clinic, men's clinic, and more... with COVID-19 precautions still in place: stay home if you are sick, sanitize/wash hands often, cough and sneeze in your elbow, keep distant, wear a mask for your comfort. Please watch for postings through the newsletter, Facebook pages, deliveries etc.

I am working on providing a workshop called, 'Building a Post Pandemic Recovery Plan for Hosting Events and Workshops in the Community'. I feel, we as staff, need a refresher, after working through a pandemic for over two years with limited interaction, technology being our main communication and the pandemic being our main priority. This workshop will help us to better: plan, organize, prioritize, make action plans, be proactive, learn best practises and more...when it comes to providing programs and services.

There will be a fourth booster dose happening at the health centre on May 30, 2022 for 1<sup>st</sup> doses, 2<sup>nd</sup> doses, 3<sup>rd</sup> doses, 4<sup>th</sup> doses and for the youth as well.

With COVID-19 restrictions lifting, there are more in-person meetings and conferences being planned now; so, I will be away from the office to attend.

I am so happy that we get to have Dr. Humber here once a month, as well as Nurse Practitioner/Rose. The Nurse Practitioner can do everything a Dr. can do except prescribe opioids. When you see a Dr., you have a time slot of 15-20 mins. When you see the Nurse Practitioner, you have no time limit.

I love working for the community of T'it'q'et, I have always felt welcomed, and I am so happy to be back. I will always do my best to help and support anyone; while following policy and procedures. My door is always open.

I hope everyone continues to stay safe and cautious as we are still in a pandemic. Reminder, there are COVID-19 Rapid tests available at the health centre. Please call the health department.

If you have any questions or concerns, please feel free to come in and see me, call (256) 256-4118 ext. 234 or email [healthmanager@titqet.org](mailto:healthmanager@titqet.org)

Respectfully,

Vanessa Thevarge  
Health and Social Services Manager

You are cordially invited to...

---

## **T'it'q'et Heat Response Planning Workshop**

### **Wednesday, May 25**

T'it'q'et Administration Building, 59 Retasket Street

**Community Meeting: 6:00 PM – 8:00 PM (dinner provided)**

This evening session is available to all T'it'q'et community members. Over dinner, there will be an opportunity for T'it'q'et members to learn about our community's heat response research and planning project.

T'it'q'et administration staff are seeking your feedback regarding your personal concerns and impacts that you and your family experience during extreme temperatures of the summer season.

**Facilitated by Urban Systems Ltd.**

If you are unable to make the dinner session in person, we can include your feedback later either by email/phone questionnaire or by a zoom session. Be sure to let Charlene know what your preference is to provide us feedback.

If you would like to join this workshop or future sessions, please RSVP as soon as possible to:

Charlene Napoleon; [charlenen@titqet.org](mailto:charlenen@titqet.org)

# *T'it'q'et Administration*

## **T'IT'Q'ET LANDS AND NATURAL RESOURCES**

### **Newsletter**

May 2022

The T'it'q'et Lands Committee and staff from the Lands and Natural Resources Department are still meeting twice a month online. The T'it'q'et Lands Committee is: Chairperson Marilyn Napoleon; Genevieve Humphreys (alternate chair); Myrus Doss; Marie Barney; Terry MacLellan and T'it'q'et Council representative that will be named later. The T'it'q'et Lands and Natural Resources Department staff are Lands and Natural Resources Officer Stephanie Louie and Lands Committee Coordinator Dean Billy.

- **Lands Committee**  
The T'it'q'et Lands Committee welcomes its newest member, Terry MacLellan and says goodbye to its Council representative Robert Leech.  
Several committee members are taking a Union of BC Indian Chiefs lands research course online.
- **Law-Making & Enforcement**  
The committee finished its review of the draft Enforcement and Ticketing Law. The next step is another meeting with Kevin Broughton of the Lands Advisory Board Resource Centre to discuss the questions and comments.
- **Natural Resource Management**  
Dillon Consulting is working on the Environmental Management Plan.
- **Lands Administration**  
T'it'q'et needs to develop a land allotment process.
- **Dispute Resolution**  
Lands Committee Coordinator and a committee member are reviewing a proposal for developing a dispute resolution process.
- **Organization Study / Human Resources Management**
- **Communications & Public Relations**  
By the time you read this, Matcon should have completed their work on remediating Areas of Potential Environmental Concern: fuel oil tanks, junk vehicles and former dump sites.

Please don't hesitate to ask questions**

Whether notified of a COVID-19 exposure or not, you should routinely monitor for symptoms of COVID-19 and stay home if you feel unwell or develop symptoms.

### Self-monitoring

Monitor for symptoms of COVID-19 listed below, even if you are fully vaccinated or had COVID-19 in the last 90 days.

If you develop symptoms of COVID-19 listed below, please use the [Self-assessment Tool](#) to see if you should get tested for COVID-19.

- Runny nose
- Sneezing
- Fever or chills
- Sore throat
- Cough
- Loss of sense of smell or taste
- Difficulty breathing
- Loss of appetite
- Extreme fatigue or tiredness
- Headache
- Body aches
- Nausea or vomiting
- Diarrhea

If you have no symptoms of COVID-19, you do not need to be tested for COVID-19.

You are not required to self-isolate, and you can continue to participate in routine activities, such as work or school, as long as you do not have any symptoms.

More details on risk factors for severe disease are available on the [BCCDC website](#).

### Testing and results

If you need to get tested, find the nearest testing location: [healthlinkbc.ca/covid19test](https://healthlinkbc.ca/covid19test)

## Month Newsletter: April 2022

### Hello

At the Preschool were quite busy with Making Clocks with our Elder Aggie. She taught us the St'at'imc word is Kloak. We also learned about the Bear (Mi'xalh) also having their babies in their dens and coming out in Spring. Our Elder had a baby bear and 2 adult bears to share and show our children.

Michael showed us how to put a rattler together; it's a lot of hard work putting the holes in and sewing the outside together and attaching the stick.

Teacher Corena showed us what wild cabbage was and how you can boil it up and eat it, and drink the juice; during our nature walk we seen the buds growing out of the trees. She showed us about how when fruit trees are pruned and that the water comes up the tree to the freshly cut branches. Apricots an Apples will grow.

We had lots of fun on St Patrick's day doing a treasure hunt in March and making St Patrick's day hats with the kids.

We staff have so much fun teaching these young children about their environment around them and we learn so much from them as well. Watching them work with all the learning tools we have here at the Preschool is fun.

We all hope everyone had a great Easter Long Weekend. Our preschool Children had fun finding easter eggs at our school playground. We would like to say thank you to Sarah, for making our hot lunch on Thursday April 14, 2022

### In the Community

#### Earth Day

**On Thursday April 21, 2022  
Preschool Staff and Children  
Will Be Walking around in our  
playground and outside our  
playground, picking up  
garbage, cleaning Mother  
Earth.**

### Important Notice:

Wednesday April 20, 2022 Is  
Parent Meeting via Zoom at  
6:00pm.

Preschool & Daycare Buildings  
CLOSED Monday April 25, 2022

### Message from the Board:

We would like to welcome  
Sarah Moberg as our Director  
of Programs for the Society!!  
Sarah has been Interim  
Manager for over a year but  
recently was hired as the  
Director! Welcome Sarah 😊

Stat'imc Outreach Health Services (SOHS) is hosting a Fern + Roe delivered

# Hide Tanning Course

**3 Day  
Course**

**June  
16-18,  
2022**

Need 12 participants from the communities

Participants on site from 9:30AM - 3:30PM or later each day

In this smoke-tanned (braintanned) buckskin making course, participants each work on a fresh deer skin and turn it into textile.

For more information about this course, contact our SOHS Land Base Healing!

Linda McDonald by email: [landbasedhealing@statimchealth.net](mailto:landbasedhealing@statimchealth.net) or

Fidele Henry by email: [landbasedassist@statimchealth.net](mailto:landbasedassist@statimchealth.net)

Can reach both of them by phone: 250-256-7523

First Nations Health Authority  
Health through wellness

### ***CLIENT RESPONSIBILITY***

Clients who access medical transportation through the FNHA Health Benefits program, either at the community level or Health Benefits Operations are responsible to:

- Give at least 5 days notice. Upon receipt of notice, transportation arrangements can be made.  
**Note:** Clients who do not provide sufficient notice may be required to reschedule their appointment or pay for the travel and get reimbursed
- Attend their medical appointment as scheduled. Clients who do not attend medical appointments may be required to pay back any benefits they have received and/or pay for their travel costs on subsequent medical travel
- Get a signed confirmation of attendance from the health professional and return it to the Transportation Coordinator after the medical appointment.
- Give notification when cancelling an appointment prior to the date of the appointment; including 24 hours notice to cancel any hotel arrangements
- Retain and submit all necessary receipts required
- Not damage property or abuse accommodation arrangements, such as excessive noise
- Not become verbally abusive or threatening to the patient transportation clerk or coordinator

Clients may be required to pay for their own travel arrangements and submit a client reimbursement form with the appropriate documentation or may have charges deducted off their next travel arrangements, in such cases as:

- a) Client is verbally or physically abusive;
- b) Client fails to provide the required medical documentation (referral or confirmation of attendance) or receipts
- c) Client is no longer accepted in commercial establishments or on commercial transportation because of inappropriate behavior
- d) Client does not make it to their scheduled appointment
- e) When FNHA or a First Nation organization is charged for damages; billed for keys; or no shows.

## Lillooet, BC

New location is now open!

We are located on Main Street, across from the Rec Centre and very near the public library and the Lillooet Hospital. Lillooet is a 35-minute drive from Pavilion, along Highway 99. In addition to Pavilion, we proudly serve the surrounding communities of Gold Bridge, Bralorne, Ashcroft and Cache Creek.

Phone: 604-203-7541

Fax: 604-243-6061

# Health Connections

---

## What is Health Connections?

Health Connections provides communities with accessible transportation options to non-emergency medical appointments. Although medical appointments have priority, everyone is eligible to use this service if space is available.

## Booking a Trip

To take advantage of the transit service, you must call to arrange your trip. Transit staff will let you know the exact time of pick up.

## Let Your Doctor Know

When scheduling medical appointments with a doctor, let the receptionist know that you will be using Health Connections. Although medical appointments have priority, everyone is eligible to use this service if space is available.

## Accessibility

If you have mobility issues, special service will be available. Please call the route operator to make arrangements.

## Communities Served

If your community is not mentioned in any of the schedules but is along the route, please call to make sure it is serviced.

## Services Covered by MSP

MSP is the provincial insurance program that pays for required medical services. These include medically necessary services provided by physicians and midwives, dental and oral surgery performed in a hospital, eye examinations if medically required and some orthodontic services. In addition, MSP pay for diagnostic services including x-rays. For information on laboratory service benefits under the [Laboratory Services Act](#), visit the [Laboratory Services website](#).

Other services that may be covered by MSP include supplementary benefits provided by other health care practitioners. These include acupuncture, chiropractic, massage therapy, naturopathy, physical therapy and non-surgical podiatry.

## Medical Benefits

Medically required services you receive from physicians and midwives are medical benefits of MSP, as are diagnostic services including x-rays. Learn about medical benefits covered under MSP.

- [Medical Benefits](#)

## Supplementary Health Care Benefits

Supplementary benefits are different from medical benefits. These services are provided by health care practitioners other than physicians or midwives. Learn about the range of supplementary health care benefits covered under MSP for eligible individuals. Read more to find out if you are eligible for assistance with the cost of these benefits.

- [Supplementary Health Care Benefits](#)

## Extra Billing

Extra billing involves charging an MSP beneficiary or their representative for a benefit covered by MSP, or for any matter related to the rendering of a medical necessary benefit, unless otherwise permitted by the *Medicare Protection Act* or by the Medical Services Commission. Benefits covered by MSP are charged directly to MSP. More information can be found on "Additional Fees and Charges" page:

- [Additional Fees and Charges](#)

Medical Services Plan (MSP) supplementary benefits provide partial payment for certain medical services obtained in British Columbia and may provide access to other income-based programs. MSP supplementary benefits support the following services from approved providers:

- acupuncture
- chiropractic
- massage therapy
- naturopathy
- physical therapy; and
- non-surgical podiatry

Those who may be eligible for MSP coverage of these supplementary benefit services include:

- Those who have applied and been deemed eligible based on their annual net income
- Income Assistance recipients
- Convention refugees
- Inmates of B.C. Correctional Facilities
- Individuals enrolled with MSP through the At Home Program
- Residents of long term care facilities receiving the Guaranteed Income Supplement (GIS)
- Individuals enrolled with MSP as Mental Health Clients; and
- First Nations individuals with valid B.C. Medical Plan coverage through the [First Nations Health Authority](#)

For these MSP beneficiaries, MSP contributes \$23 per visit for a combined annual limit of 10 visits each calendar year for the following services from approved providers: acupuncture, chiropractic, massage therapy, naturopathy, physical therapy and non-surgical podiatry. MSP does not provide any coverage for supplementary benefits received outside of the province.

Note: Many supplementary benefits practitioners are opted-out of the MSP. This means they are allowed to charge patients more for a service than is set out in the Payment Schedule.

**Opted-out practitioners (for all supplementary benefits service providers) must advise their patients, prior to the treatment being performed, that they have opted out; how much is reimbursed by MSP; and how much the patient will be paying in addition to the MSP fee.**

## **Temporary Increase to the Medical Transportation Mileage Rates**

First Nations Health Authority is committed to delivering a responsive set of programs and services to support First Nations in their health and wellness journeys.

Gas prices across British Columbia have increased significantly in recent weeks. These increases may impact some client's ability to access medically necessary appointments when using their private vehicle.

FNHA's Health Benefits program is implementing a temporary mileage rate increase of **\$0.05** per kilometer for the Medical Transportation (MT) benefit to support clients during these exceptional times.

**Effective March 1<sup>st</sup> 2022, the standard mileage rate will increase from \$0.23 to \$0.28 per kilometer. These changes will be in effective until May 30<sup>th</sup> 2022.** The \$0.05 increase will also apply to the special mileage rate applicable to certain remote communities.

We will continue to monitor regional and provincial gas prices and may make further adjustments in response to this rapidly changing situation.

### **Information for communities with Funding Agreements for Medical Transportation**

FNHA will ensure that all communities delivering MT locally through a Funding Agreement receive additional funding necessary to support the increased mileage rate. We will follow up separately with agreement holders regarding the increases.

### **About Medical Transportation**

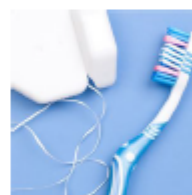

The Medical Transportation (MT) benefit provides supplemental coverage of transportation, accommodation, and meals to assist clients who need to access medically-necessary health services that are not available in their community of residence. We invite you to learn more about MT at our [website](#).

For additional information or support, please contact Health Benefits at 1.855.550.5454 or [benefits@fnha.ca](mailto:benefits@fnha.ca).

# ? DID YOU KNOW

There is some non-prescription items provided **FREE** at your Health Centre by the First Nations Health Authority Nurse with an appointment and/or assessment?

# Mammograms Save Lives

Digital Mobile Mammography Coming to Your Community!

BC Cancer Breast Screening's digital mobile mammography service will be visiting:

**T'IT'Q'ET HEALTH CENTRE**  
**JUNE 17, 2022**

**To book your appointment call Nicole at (250)-256-4118 ext. 241**

Mammograms are available for women ages 40 and over. Make an informed decision to screen for breast cancer. Visit [www.screeningbc.ca](http://www.screeningbc.ca) to learn more.

# Message from T'it'q'et Housing:

## **Yard maintenance:**

Housing Policy- 9.1.1.1 Owners and residents be encouraged to maintain and keep up their yards, properties and housing in a way that would make the community proud.

## **Visitors:**

Friendly reminder that in the rental units as per agreement signed:

8. Except for casual guests, no other persons shall occupy the premises without written consent of the Landlord.

Housing needs to be contacted when you move someone into your rental unit.

Then it needs to get approved by administration, and council that this ok.

If approved a new rental agreement will need to get filled out and signed.

## **Garbage:**

O&M picks garbage up on Mondays and Fridays. Wednesdays they pick up recycling. On recycling days, the garbage will be picked up as well for now.

Animals are getting into garbage, if an animal gets into your garbage it is your responsibility to pick it up.

Please do not throw food waste outside your home, throw it in the garbage. This will help from animals going into your yard, and mice trying to find a way into your home.

Thank you,

Kassandra Doss

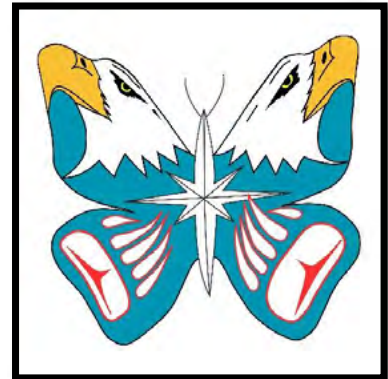

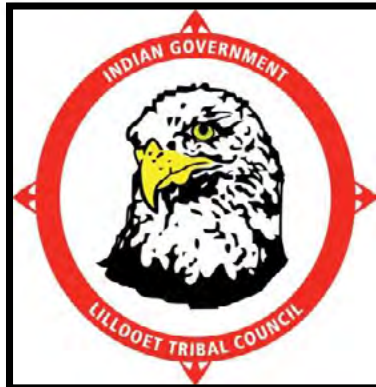

Housing Coordinator.

# LILLOOET TRIBAL COUNCIL

# May 2022 Horoscopes

---

*Taurus*

## **Taurus (Apr 20–May 20)**

Happy birthday!!! Right now, the world is your oyster—everyone's vibing on your level, and doing what you want and need to do is happening much more easily. You're the main character right now, Taurus! Get out there and have fun!

---

## **Gemini (May 21–Jun 20)**

You're energetic, youthful, and fun-loving, so the serious vibes of Taurus season aren't your fave. Right now, you have way too much on your plate, and you need to sort it out. What (or who), isn't working? Figure it out, cut your losses, and get ready to embrace all sorts of brand new opportunities when Gemini season rolls around!

## **Cancer (Jun 21–Jul 22)**

Hey, social butterfly! You're known for being very dedicated to your friends, and this month you're growing even closer with your squad. Anything you do as a group will be a marvelous experience, and you're also meeting some new friendly faces!

## **Leo (Jul 23–Aug 22)**

You're in the spotlight, Leo, especially when it comes to your job. The better you perform now, the better you'll be rewarded in the future—yes, a promotion or bonus could be in your future if you put in the work! But watch out, because if you under-perform, you'll face consequences, too.

## **Virgo (Aug 23–Sept 22)**

You're an earth sign just like Taurus, which means you're feeling much better than you did during Aries season. Life's an adventure, and there are (potentially!) opportunities to travel somewhere coming up! Stay open-minded and you'll have a splendid Taurus season.

## **Libra (Sept 23–Oct 20)**

You have a bit of a rep for being flaky and struggling to really settle down into a relationship, but right now you're understanding just how important it is to fully commit. It's an emotional time, but there's plenty of potential for romance and intimacy!

## **Scorpio (Oct 23–Nov 21)**

It's cuffing season! Taurus season is activating your chart's relationships zone, so whether you're boo'd up or single as hell, this is a wonderful time to give your love life the glow up it deserves. Go out of your way to spend time with your special someone (or meet one!), and you'll have a very successful Taurus season.

## **Sagittarius (Nov 22–Dec 21)**

Life at your job is picking up the pace! It feels like you're clocked in 24/7. I know it's not fun, but you're being asked to embrace these practical, serious Taurus vibes so you can sort out your life. Get organized, stay focused, and cross everything off of your to-do list, because there's a lot of action coming your way in Gemini season!

## **Capricorn (Dec 22–Jan 19)**

Love is in the air! Not only are you feeling better than you did all Aries season, you're also looking gorgeous. In fact, you're complete babe magnet! As well as being extra lucky in love, you're energized, motivated, and creative. Enjoy!

## **Aquarius (Jan 20–Feb 18)**

You're feeling uncharacteristically introverted. Taurus season is a month for you to stay home, address any issues with family or roommates, and even redecorate. You're discovering how to feel at home when you're at home. Take this time to recharge your batteries before Gemini season!

### Pisces (Feb 19–Mar 20)

As the most emotional sign of the zodiac, you'd think that Taurus season's vibe wouldn't mesh well with you, but you're actually having a pretty nice time! You're able to balance out your left and right brain, and you're feeling creative and expressive while at the same time able to take the serious parts of life, seriously.

### Aries (Mar 21–April 19)

Your time of year is unfortunately over, and now it's time to get serious. Life might feel a bit mundane right now, and work's picking up the pace. On the bright side, there are big opportunities to make some money coming your way, so make sure you take advantage of them!

A colorful poster for 'Jordan's Principle Bear Witness Day!'. It features a blue teddy bear in the top left, a white teddy bear in a circle in the center, and a blue paw print in the bottom left. The text reads: 'Bear Witness Day! Spirit Bear is turning 6 on May 10, 2022! In honor of Spirit Bear's birthday, Kanukwa7staliha Family Services (KFS) is celebrating with a picture contest: Send us a picture of you spending time with your favorite stuffed animal on May 10th! You have till May 20th to send in your picture, and I will do the draw on May 23rd, 2022'. Below this, it lists age categories: '0-5 years', '6-10 years', '11-15 years', '15-20 years', '20 - Elders age', and 'Elders'. On the right, it says: 'Please text or email your pictures with who is in the picture and their age to Michelle Isaac JPSC. Text: (250)-256-1988. Email: jordanp@kanukwa7staliha.org'. There are also small icons of a bird and a fish in the top right corner.

**Jordan's Principle Bear Witness Day!**

Spirit Bear is turning 6 on  
May 10, 2022!

In honor of Spirit Bear's birthday, Kanukwa7staliha Family Services (KFS) is celebrating with a picture contest:

Send us a picture of you spending time with your favorite stuffed animal on May 10th! You have till May 20th to send in your picture, and I will do the draw on May 23rd, 2022

There are multiple categories by age:

|             |                 |
|-------------|-----------------|
| 0-5 years   | 15-20 years     |
| 6-10 years  | 20 - Elders age |
| 11-15 years | Elders          |

Please text or email your pictures with who is in the picture and their age to Michelle Isaac JPSC
