

# T'it'q'et Housing Needs Survey

T'it'q'et has recently been able to construct a water line extension at Six Mile. We are now in the first stages of developing a subdivision design for the area along the water line. We would like to hear from you. Tell us about what you think about housing and what kind of housing T'it'q'et should focus on developing on McCartney's Flat IR # 4 specifically.

A prize draw will be done after survey responses are collected. Win one of five Canco gift cards! The survey will close **May 16<sup>th</sup>, 2025**. Please return to reception at the P'egp'ig'lha Centre.
